Speak Lord 2016: Law and Gospel

A Conference about the art of distinguishing Law and Gospel

Have you ever wondered:

- What is the Law? Is it good or bad, and does it still apply to Christians?
- What is the Gospel, and why do so many Christians fail to understand it?
- How to distinguish and apply Law and Gospel?
- Why a society that proclaims tolerance is so intolerant and judgemental?
- Why there is so much evil in the world when most people think they are basically good?
- How to call people to repentance without slipping into legalism?
- How to proclaim the Gospel without it becoming an excuse to sin?
- How an understanding of Law and Gospel can help to heal your marriage, and your other everyday relationships?

We hope to provide for you answers to these and many other important questions.
