Lutheran Mission – Australia (LM-A) is here to support, encourage and strengthen Confessional Lutherans throughout the country, and to establish a synod which ensures that people are served with the unadulterated Gospel of our Lord Jesus Christ who offers forgiveness of sins by grace alone, through faith alone in Christ alone.

Lutheran Mission – Australia is conducting Face – to – Face Forums in your local area which involve a 45-minute presentation on LM-A along with a 45-minute Q&A session. We want to provide you with information, to answer your questions, and to hear and respond to your comments, concerns and feedback.

Face to Face Forums can also be tailored to meet your needs. You may have specific matters you wish to discuss with us. Pastor Matt Anker President-elect Lutheran Mission – Australia and other members of the Executive or Committee of Management will be attending.

Note! Venues being made available by LCA congregations for Face-to-Face forums does not imply their endorsement of or support for Lutheran Mission – Australia.
